All Rules & Regulations listed herein apply to Sprinkle Events, LLC. The following Rules & Regulations will govern Sprinkle Events, LLC. and are made a part of this contract for exhibit space between Sprinkle Event LLC ("Show Management") and the person, partnership, or corporation ("Vendor") engaging space.

1. **Vendor Space Fee Inclusions.** The vendor space fee includes selected space, one 15 amp shared circuit to provide basic lights and charging capabilities for phones and light duty equipment, and the rights to advertise/display products and/or services during the show hours, and one Vendor Parking Pass. Designated parking areas will be posted. Vendors must provide their own tent, tables, chairs, displays, extension cords, and surge protectors. Extension cords and surge protectors must adhere to the guidelines established in the attached Vendor Electrical Policy.
2. **Character of Exhibit.** The Vendor agrees to display only new products or services sold in the regular course of business and as described in this contract. Each vendor space must comply with all applicable laws, codes, and ordinances. Vendor spaces shall be dignified in character and, in the judgment of the Show Management, not offensive to the general public. The Show Management reserves the right in its sole discretion to reject and/or remove any vendor or portion of exhibit not in keeping with this rule or purpose of the show.
3. **Subletting of Space.** A Vendor may not share or sublet any portion of their booth space.
4. **Payment for Vendor Space.** If payments are not made on a timely basis, Show Management shall have the right to do one of the following: (a) Terminate the Contract; (b) Reduce the size of the vendor space; or (c) collect the contracted amount. Payment is due no later than July 30, 2025.
5. **Assignment of Vendor Space.** Assignment of Vendor space is the sole discretion of Show Management. Show Management will endeavor to assign space in the order requested or assign equivalent available space. Floor plan and space assignments are subject to change by Show Management without notice to the Vendor.
6. **Signs.** Except with the permission of Show Management, all signs shall remain within the Vendor's space, and must be designed and constructed so as not to detract from the adjacent exhibits.
7. **Motorized Vehicles.** Absolutely no motorized or self-propelled vehicles will be permitted on the grounds after two hours before Octoberfest is open to the public, unless explicitly approved by Show Management. Appropriate exceptions will be made for those requiring ADA assistance.
8. **Electrical Service.** All craft vendors will be provided with one 15 amp shared circuit. All Vendors must list each piece of equipment they intend to use in their booth on the attached Vendor Application. This includes but is not limited to: cell phone chargers, POS systems, lights, heat presses, etc. Any equipment listed must have peak amp draw listed. Any Vendor who does not know the amperage of their equipment must list the manufacturer and model number of the equipment to be used. Vendors must supply their own 12 gauge outdoor rated extension cords. All Vendors agree to the attached Vendor Electrical Policy, including the Extension Cord and Surge Protector Policy. Any extension cords or surge protectors found to be out of compliance with the policy will be confiscated and held until the end of the event. A policy-compliant extension cord can be provided to any Vendor for a fee, should they need one for the event. All services, equipment, electricity, furniture, or furnishings provided to the Vendor shall be paid for by the Vendor and shall normally be obtained through the personnel designated by Show Management. Every effort will be made to get power as close to the Vendor space as possible. However, for all 20 amp circuits and lower, power is only guaranteed within 100 feet of vendor spaces. Electrical cords may not be run along the ground in the customer traffic walkways. Electrical service may be upgraded for an additional fee at the discretion of Sprinkle Woods Electrician depending on equipment listed in Vendor Application.
9. **Insurances and Liability.** General Liability coverage and property insurance is strongly encouraged and must be obtained at Vendor's own expense. Neither the Show Management, its affiliated officers, directors, agents, representative and employees will be responsible for any injury, loss or damage that may occur to the Vendor or the Vendor's employees or property from any cause whatsoever, prior, during, or subsequent to the period covered by the vendor contract, and the Vendor upon signing the contract expressly releases the above-named entities and individuals from any and all claims for any and all loss, damage or injury whatsoever. General Liability insurance is recommended to be procured by the Vendor for the benefit of itself and the Show Management prior to the show. Vendor items and vendor equipment are brought onto the show grounds, maintained, and removed from the show grounds at the Vendor's risk.
10. **Security Limitations of Liability.** Show Management will engage security service prior to and during the show hours. Show Management assumes no liability for loss or damage from any cause whatsoever. Vendor understands and agrees that security personnel are independent contractors and that any such security is provided by Show Management solely as a courtesy.
